SHAIK BABA SHAREEF

8143525023 — shareefshaik63411@gmail.com — LinkedIn — GitHub — LeetCode

Professional Summary

Computer Science and Engineering undergraduate graduating in 2027 with practical experience developing web-based applications. Knowledgeable in Java, JavaScript, React.js, Spring Boot, MySQL, and REST APIs. Experienced in implementing application features, database integration, debugging, and testing software through academic and personal projects. Interested in contributing to innovative products while expanding full-stack development skills.

Technical Skills

Programming Languages: Java, JavaScript, Python, SQL
Frontend Technologies: React.js, HTML5, CSS3
Backend Technologies: Spring Boot, Spring Data JPA, JDBC, REST APIs
Database Management: MySQL
Development Tools: Git, GitHub, Postman, Jira, VS Code, IntelliJ IDEA
Core Concepts: Object-Oriented Programming, Data Structures and Algorithms, CRUD, Debugging, API Testing

Projects

Resume Job Matcher | *Python* | Live Demo | GitHub Repo

- Developed a Python application to match resumes with job descriptions.
- Processed resumes and job descriptions to identify relevant skills and assess compatibility.
- Tested functionality and debugged issues to validate matching results.

Online Booking System | *Java, Spring Boot, MySQL* | Live Demo | GitHub Repo

- Developed a full-stack web application using Java, Spring Boot, and MySQL.
- Integrated backend services with database operations to support booking functionality.
- Tested application workflows and debugged issues during development.

E-Commerce Backend System | *Java, Spring Boot, Spring Data JPA, MySQL* | GitHub Repo

- Developed backend services and database operations using Spring Boot and Spring Data JPA.
- Tested REST API endpoints using Postman and debugged issues during development.

Internship Experience

Java Full Stack (Academic Internship) — **May 2026 – July 2026**
Ethnotech Academy

- Developed a Social Media Management System using Java and Spring Boot.
- Implemented CRUD operations using Spring Data JPA and MySQL.
- Built REST APIs and integrated frontend with backend services.

ServiceNow Virtual Intern [View] — **May 2026 – June 2026**
ServiceNow University / SmartBridge (AICTE) — *Virtual*

- Completed hands-on ServiceNow labs and practical assignments.
- Practiced Flow Designer, ATF, Reports, and ITSM tasks.
- Completed learning modules and CSA preparation.

Education

Madanapalle Institute of Technology & Science, Madanapalle, AP — **Sep 2023 – May 2027**
Bachelor of Technology in Computer Science & Engineering — *CGPA: 9.08*

Narayana Junior College, Kadapa, AP — **2021 – 2023**
Intermediate — *96.3%*

Z P High School Boys, Vempalle, AP — **2020 – 2021**
SSC — *98.8%*

Certifications

- Microsoft Certified: Azure AI Fundamentals — View
- Oracle Cloud Infrastructure 2025 Certified Generative AI Professional — View
- Java (Basics) – HackerRank — View
- Microsoft Certified: SQL AI Developer Associate — View
- Advanced Data Structures using Java – RAMPeX — View
- Agentic AI Certified Foundations Associate — View
- JavaScript Essentials 1 – Cisco Networking Academy — View
- Oracle Java Foundations — View

Achievements

- Participated in Microsoft AI Skills Fest 2026 through Microsoft Learn.
- Completed Oracle Java Foundations.
- Solved 140+ coding challenges on LeetCode.
